<p>On the above date and time, while working in full uniform, I did stop a suspicious vehicle for NYS VTL violations. The driver, Johnson (S), immediately fled the vehicle on foot and a brief chase ensued. I caught up to (S) on the dead end of Wright Te. (S) was given several commands to stop and get on the ground (1). (S) pretended to comply by getting into a push up position but he didn't allow his chest to touch the ground. As I advanced on (S), he took off running for a second time. I caught up to (S) and performed a tackle (2). I wrapped both of my arms around (S)'s arms/upper body and used my forward momentum, throwing off his balance. We both went to the ground and I ended up on his back. I continued to hold onto (S) until another officer arrived to help me. At that point, I transitioned into a 2-point landing on (S)'s left side (3). While I was in a 2-point landing and maintaining control of (S)'s movements, Ofc. P. Perelli handcuffed (S). I assisted (S) to his feet and escorted him to the closest patrol vehicle on Wright Te.</p> <p>(S) ran out of his shoes during the foot pursuit. As a result, (S) sustained a minor cut to his right foot. He was treated on scene by AMR staff. My body camera came off at the beginning of the footchase but it was later recovered in a driveway nearby the initial traffic stop.</p>

NARRATIVE	<p>On 8/24/19 I was in a mark vehicle with Officer J. Rodriguez, Officer Perelli and Officer W. Wagner. We assisted with a traffic stop at 73 Miller St where (A) Devin Johnson ran from a Black Audi Q7 (NY GPB2190). (A) ran E/B between 64 and 66 Miller St. I ran down the driveway of 66 Miller St and (A) was just on the other side of the fence. I paralleled (A) until I lost him when I got near the back fence. It did not appear (A) went north so I went back out to the vehicle. I took over watching the vehicle from Officer Wagner. I conducted an inventory search of the vehicle. With the front passenger seat pulled to the front I noticed a yellow washcloth under the seat. When I pulled this washcloth up I notice a silver revolver. This revolver was in a draw that goes under the front passenger seat. This gun was later recovered the technician. I removed from the vehicle the washcloth that was covering the gun and a Audi key FOB that was in the glove box. I also recovered a pair of black Nike sneakers. (A) was wearing these sneakers and they fell off him in the street after he started to run. These items were turned into the property room as evidence.</p>

NARRATIVE

On the above date myself and other tactical officers were on routine patrol when we first noticed the above vehicle, GPB2190 to a black Audi Q7, at five Lincoln St, which is a known gang location. As officers were pulling up to the location (a), Devin Johnson, exited the driverside of the vehicle and walked up to the house. No one else was observed inside the vehicle at the time. A short time later the same vehicle was observed stopped at the gas pumps located at 540 Portland Ave. When officers turned around on the vehicle, Johnson again exited the driverside of the vehicle and walked into the store. No one else was observed exiting or getting into the vehicle. At this point officers began surveillance on the vehicle.

While conducting surveillance Johnson was witnessed exiting the store but walked to the sidewalk instead of the vehicle. Through Johnson's actions it was believed that he as attempting to avoid officers and separate himself from the vehicle. The city camera was utilized to watch Johnson so officers could get out of the area and out of his line of sight. No more than a minute after officers moved did Sgt Robinson radio that Johnson was back to his vehicle and traveling e/b on Clifford Ave.

Officer Laureano was able to get behind Johnson as he was s/b on Miller St and witnessed a V&T violation (see IAR). Johnson immediately got out of his vehicle and began to flee s/b on Miller St. After a foot chase Johnson was taken into custody at 13 Wright ter.

Johnson was found to be on parole for cpw 2nd and had a suspended non-driver ID only.

During the course of an inventory search of the vehicle officer Lisle located a smith & wesson airweight revolver (see IA).

Technician Muller responded to and processed the scene. The revolver was loaded with 5 winchester .38 caliber rounds and was found to be stolen out of Sweden, NY. The serial number was also defaced on the bottom handle.

I did locate a cell phone under a vehicle at 64 Miller, which is the path that Johnson fled. I photographed the cell phone and ended up turning it over to Invs Brennan.

Johnson was transported to the PSB 4th floor were he was interviewed by Investigators Brennan and Galetta.

Johnson was eventually transported to booking without incident.

NARRATIVE	<p>On today's date, Tactical officers Jose Rodriguez, Lisle, Perelli and I were on routine patrol in the area of Lincoln St and Merrimac St when we observed the listed vehicle, a 2008 Audi Q7 bearing NY registration GPB2190. The vehicle was pulled to the curb in the area of 5 Lincoln St and a male later identified as (A) got out of the vehicle and began walking towards the house. As we passed by the vehicle, we noticed (A) had left the vehicle running, unattended, with the music on at a very loud volume.</p> <p>By the time we observed all of this, (A) was out of sight.</p> <p>A short time later, I observed the vehicle at the gas station at Portland and Clifford. I notified the rest of the guys and we turned up Portland Av. As we did so, I again saw (A), the lone occupant, get out of the vehicle and walk towards the store.</p> <p>We were able to stop the vehicle with assisting officers as it left the gas station and turned onto Miller St. We were the second vehicle behind (A)'s Audi and I observed him exit the vehicle and flee on foot. He ran out of his shoes, which were left in the middle of Miller St, and continue behind 64 Miller St.</p> <p>Multiple officers began pursuing (A) so I remained with the Audi that (A) fled from. There were no other occupants in the vehicle. I briefly checked the vehicle for any contrband in plain sight while assisting officers were pursuing (A).</p> <p>Once he was in custody, Ofc. Lisle returned to the vehicle and searched the vehicle discovering the handgun.</p> <p>I had no further involvement.</p>

I noticed that (A) Johnson had several tattoos on his neck including "Fly Guy" and "1994".</p> <p>I ran (A) Johnson on records and learned that he was on Parole for CPW 2nd. (A) Johnson had two cuts to the bottom of his feet which were cleaned out and bandaged by AMR Rig 7769 at 2213 hours. Once (A) Johnson was treated by AMR I transported him to the Clinton Section Office and secured him in interview room 123. TO: Johnson, Devin INST.# 1380447WARRANT# 821558 NYSID# 116 501502

You are charged with violating the conditions of your release in the manner specified on the attached violation of release report.

A preliminary hearing on these charges has been scheduled on 9/3/19 at 9 AM at MCSD-Contact Visit Room  
Date Time Place

Should you waive a preliminary hearing or should probable cause be found at this hearing that you have violated any condition of your release in an important respect, a

final hearing on these charges will be held on 9/12/19 at 9:00 AM at MCSD-Contact Visit Room  
Date Time Place

In the event that your return to the State of New York cannot be effected for the hearing as scheduled above due to circumstances beyond the Department's control, you will be afforded a preliminary hearing and final revocation hearing at such time as you may become available for return on the Department's warrant.

You have the right to a preliminary and final revocation hearing. A preliminary hearing may be held to determine whether there is probable cause to believe that you violated one or more of the conditions of your release in an important respect. At this hearing you are entitled to appear and speak on your own behalf; introduce letters and documents; present witnesses who can give relevant information; and confront and cross-examine adverse witnesses. Proof of your conviction of a crime committed after your release shall constitute probable cause for the purpose of the preliminary hearing. You may be represented by counsel. It is your responsibility to obtain counsel. Your waiver of this preliminary hearing is the equivalent to a finding of probable cause.

In the event you are convicted of either a misdemeanor or a felony offense committed while under community supervision and a preliminary hearing has not been completed, you will not be entitled to the preliminary hearing on the basis of the new conviction. Any preliminary hearing which may have been scheduled may therefore be cancelled upon your conviction for such misdemeanor or felony.

Following the establishment of probable cause, the Board of Parole or its designee will review your case and may order that you be held for a final revocation hearing.

At the final revocation hearing, the presiding officer will determine whether there is a preponderance of evidence to support each of the charged violations. At this hearing, you have the right to be represented by counsel; to speak on your own behalf; have the right to introduce letters and documents; present witnesses who can give relevant information; and confront and cross-examine adverse witnesses against you. At this hearing, you also have the right to present mitigating evidence relevant to your restoration to community supervision.

In the event you are convicted of a felony offense committed while under community supervision and you receive a new indeterminate or determinate sentence, any final revocation hearing which has been scheduled for you may be cancelled. In such instances, the Board of Parole may issue a final declaration of delinquency based upon that conviction and sentence.

In the event the Board of Parole issues a final declaration of delinquency, you will be served with a copy of that determination together with a copy of the commitment.

Should you be convicted of a crime committed after your release, it is the intention of the Department of Corrections and Community Supervision to introduce evidence of your conviction at the time of your revocation hearing.

A request to adjourn either scheduled hearing should be made in the case of a preliminary hearing, at least three (3) days, and in the case of a final hearing, at least seven (7) days prior to the hearing, in writing, to the local area office. Requests for adjournments made at the hearing will only be granted for good cause shown.

All persons charged with a violation are required to be present at all proceedings regarding that violation of community supervision which are authorized by the Board of Parole. Any voluntary failure on your part to be present at any of these proceedings may result in a finding that your failure to appear was a voluntary, knowing and intelligent waiver of your right to appear. Should such a finding be made, a hearing in absentia can be held and a final determination be made regarding the charges pending against you, including, if necessary, a time assessment because of the violation of community supervision.
